## Home installation form

Got big plans for audio/video? Tell us about them on this form. If you can, please include a sketch of the rooms involved, so we get a sense of the space you're working with. Then you can **fax it to us at 1-800-388-9756**.

If you're not sure how to answer some of the questions here, you can **e-mail us at [avdesign@crutchfield.com](mailto:avdesign@crutchfield.com)**, and attach photos or other relevant documents (.gif, .bmp, .jpg, .jpeg, or .pdf only, please). Or if you'd simply rather speak to someone on the phone, you can **call us at 1-800-653-1007**.

Of course, you're going to have specific needs and questions that can't be tackled on this simple form. So once we receive it, our experts will contact you to discuss your ideas in more detail, so we can prepare a working plan for your new system.
